ABOUT US

More Than A Football Club, Rajasthan FC is a purpose-driven football club dedicated to transforming the future of girls through the power of football. We believe that every girl deserves access to quality coaching, safe sporting environments, education, leadership opportunities, and a pathway to achieve her dreams—regardless of where she comes from. Through partnerships with schools, communities, and institutions, we are building a football ecosystem where young girls can develop not only as athletes, but as confident, disciplined, and future-ready individuals.

Leadership Note

When I envisioned Rajasthan FC, I wasn't thinking about creating just another football club. I was thinking about creating opportunities. Across Rajasthan, there are countless girls with talent, determination, and dreams, but many never receive the chance to discover what they are truly capable of. Rajasthan FC exists to change that. We believe every girl deserves access to quality coaching, a safe environment to grow, and the confidence to dream without limits. Our mission goes far beyond football. We are building a platform that empowers young women to become stronger athletes, confident individuals, and future leaders. Through sport, we hope to inspire resilience, discipline, teamwork, and self-belief—qualities that extend far beyond the football pitch. This journey begins in Rajasthan, but our vision is much bigger. We aspire to create pathways that connect young talent from every corner of the state to opportunities at the national and international level. Rajasthan FC is more than a club, it is a movement to inspire, empower, and transform lives. The future of football belongs to every girl who dares to dream. We are here to make sure she gets the chance to live that dream.

OUR MISSION & VISION

Our Mission

To inspire and empower every girl in Rajasthan by providing access to world-class football coaching, education, and life-changing opportunities through sport.

Our Vision

To make Rajasthan a leader in women's football by building a sustainable pathway from schools to professional football while developing confident, educated, and independent young women. Inspired by successful government initiatives and the growing focus on women's football in India, Rajasthan FC aims to create long-term opportunities for girls across the state.

Our Values

Courage • Respect • Discipline • Equality • Teamwork • Excellence

WHY FOOTBALL?

Football Builds More Than Players

Football teaches lessons that stay for life.

Through our programme, students develop:

Confidence • Leadership • Discipline

Teamwork • Physical Fitness • Mental Resilience

Decision Making • Communication Skills

Responsibility • Self-Belief

At Rajasthan FC, we believe every training session contributes to building stronger individuals—not just better footballers.
